

# Treaty of Buh

By the legitimacy of the Law given to us by the people of Motoviliha & people of Sivensky district, Russia the birth of the Union is afoot and is about to be conceived as declared further:

1. By their own Free Will and Good Faith people of Sivinsky district, Russia alongside with the people of Siva itself with Vladimir I. as their representative agree to the accession of all the Land of Siva into the Motovilihian State on the rights of the full-fledged part of the Broad Confederation as will be defined in the true Constitution:
  - 1.1 The Land of Siva has the same rights as the other individual micro-states of the Motoviliha;
  - 1.2 The Land of Siva is susceptible to the Law of the Market - thus have value, which is to be determined if the transfer of ownership as the result of the deal occurs.
  - 1.3 The first proprietor of Siva has an exclusive right to not sell the region to anyone, even in case of Global Reprivatization (which is to be detailed in the Development Plan of Motovilihian State).
2. Siva - to be known as Cuba, when written in official documents of the Free State of Motoviliha, Sivinsky district - to be known as Cuban district from now on further.
3. The Land of Cuba is to encompass all of the Cuban district and Cuba itself.
4. Vladimir I. is to be known as the first proprietor of the land of Cuba.
